

Welcome to the University of California, Davis! We hope you enjoy your time here. Buses dropping off students for performances at the Mondavi Center are allowed to park at the Unitrans bus facility. **It is very important that drivers comply with all Unitrans facility policies listed here so that we can continue offering this parking privilege. Failure to comply may result in parking privileges being revoked:**

1. 5 MPH maximum
2. One way vehicle traffic only, in a counter-clockwise direction
3. Park in concrete area only, in between designated parking areas
4. No smoking
5. Vehicles must not be leaking
6. Unitrans is not authorized to repair any buses that use the parking area
7. Since Unitrans personnel will be working at their assigned duties, the Unitrans building isn't available for drivers. All bus drivers will need to find a different place for snacks, restrooms, and lounging.

Thank you for your cooperation!
