

Going to the Mondavi Center For the Performing Arts

Sensory Friendly Pre-visit Story

Mondavi Center
UC DAVIS

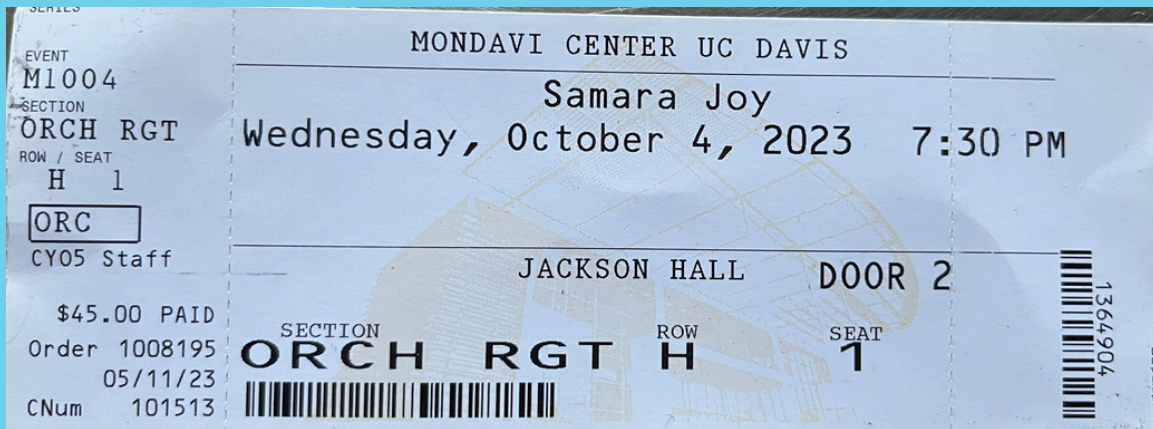

The Mondavi Center is a venue where artists from around the world perform.
I will enter the building through the main lobby doors.

Tickets

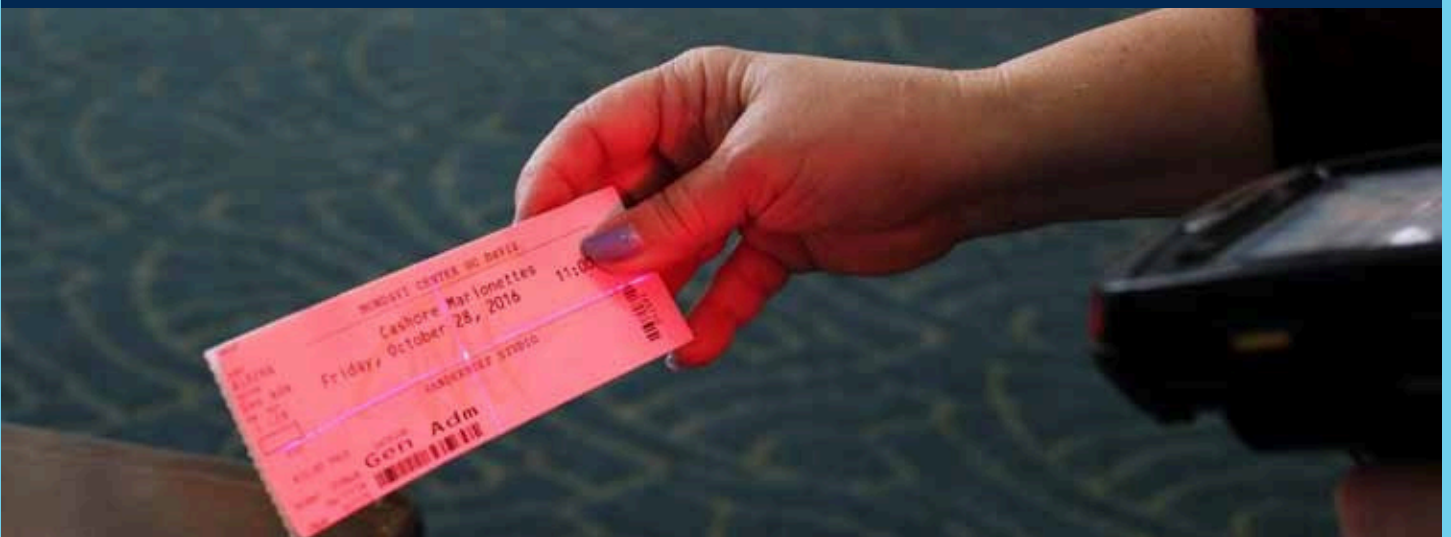

For this performance I will need to have a ticket. I can bring a printed ticket from home, show my digital ticket on my phone or buy one from the ticket office.

Ushers

The Center's ushers are friendly helpers. I will give my ticket to an usher before I go in.

Yoche Dehe Grand Lobby

Before the performance begins,
I can relax in the lobby.

There will be a lot of natural light
coming in the windows.

Waiting in Lines

When I go to the Mondavi Center, I may have to wait in short lines.

I may have to wait in line for the bathroom.

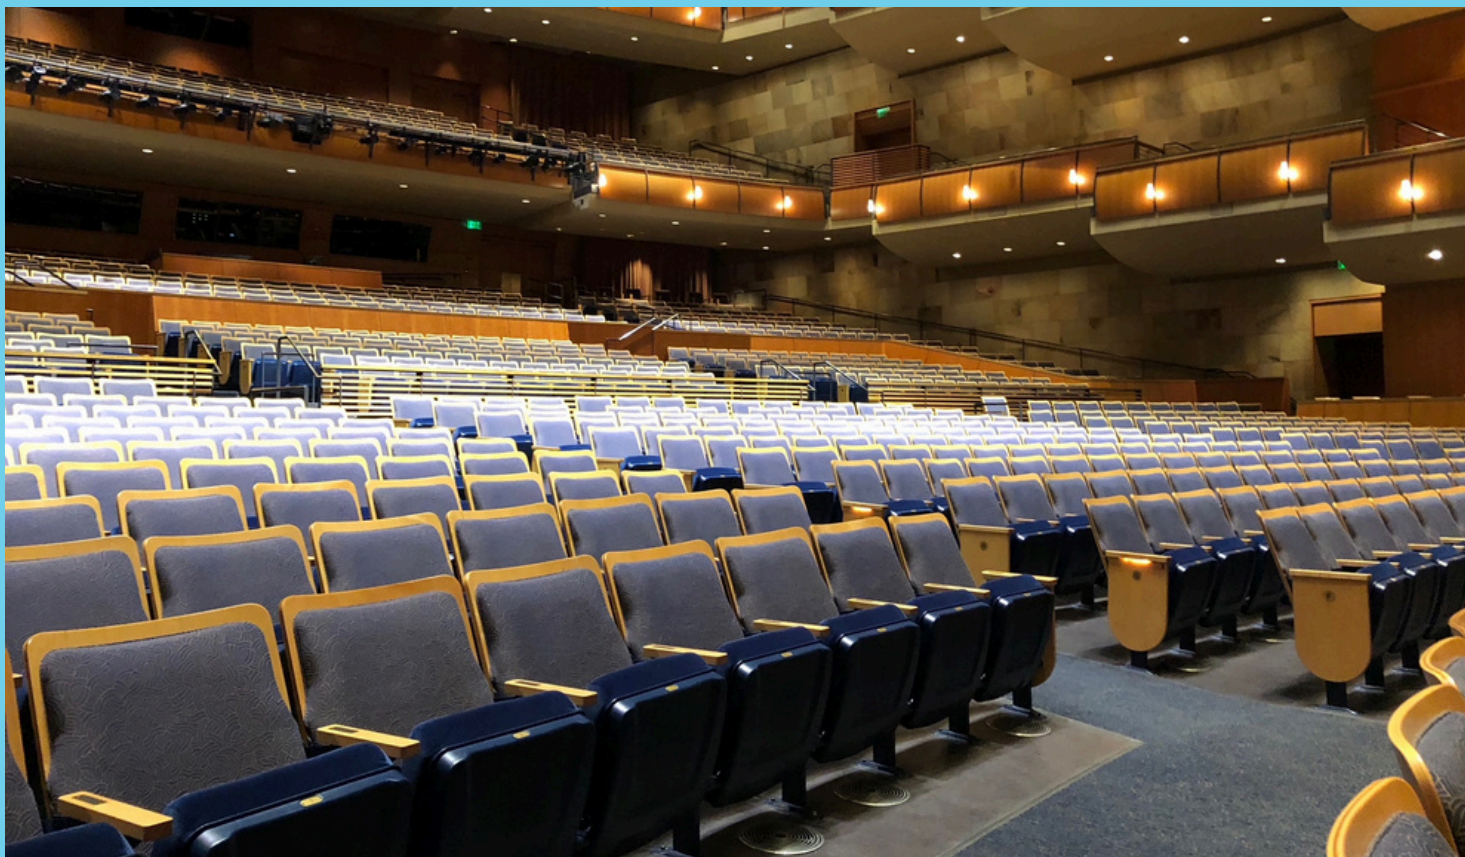

Bathrooms

If I have to go to the bathroom,
I will let my adult know.

I can go to the bathroom any
time during the performance.

The sound of the flushing toilet can be loud
but it will only be for a short time.

All the bathrooms are accessible and there
is an all-gender bathroom on the second
floor

Jackson Hall

The performance by Sons of Mystro will happen in Jackson Hall, the Mondavi Center's largest theater.

I can sit anywhere I want in the Orchestra section and I can change seats whenever I want to.

The Musicians

Before the Sons of Mystro musicians start the concert, they may take a few moments to tune their musical instruments. It is good to be quiet while they do this. Once they finish, they will start to play!

Appreciation

People clap when they like what they are seeing and hearing. People clap only for a short time then the clapping is over.

I can clap if I like what I hear or see.

Quiet Space

If I need a break during the show, I can go into a quiet area in the lobby until i'm ready to return.

After the Concert

After the show, the performers will come out to the lobby and I can meet them and ask them questions.

Leaving the Center

When the show is over, I might go use the bathroom before I leave.

The bathroom might be crowded and I will have to wait my turn.

After I am finished, I will leave the lobby through the front doors.

Thank you for coming!

**We hope you enjoyed the show.
We'd love to see you at another show soon!**
